### SITA GREEN LABEL STANDARD

SITA declares that

## HOSPITAL EQUIPMENT SERVICES

has signed up to SITA Green Label Standard. In choosing SITA Green Label, the company has decided that its waste will be CO<sub>2</sub>-neutral. This means that all the CO<sub>2</sub> that is released when the company's waste is collected and processed will be completely neutralised.

To that end, the company has made a voluntary financial contribution to be transferred in its entirety by SITA to the Climate Neutral Group. The gift will be used by the Climate Neutral Group to finance certified sustainable energy projects in accordance with the internationally recognised Gold Standard.
